Checking in re Hollywood Sign.

Gentlemen, please see extensive email chain below and the last one with the person stating that extensive lawsuits are "about to be filed".

The Councilmember used discretionary funds to add enforcement during the holidays as he did for Thanksgiving. Christmas Day was quite busy but the other days appear to be well mitigated. We believe that these residents became concerned that we would then stop moving forward on other mitigations such as changing state law or lobbying Google to change directional signs and so they have launched constant emails each with more significant threats.

We would love to connect with you when you are back in the office on how we should respond and the status of the Beachwood lawsuit. It appears to be time for a larger sign meeting given that the Griffith Park plan is about to be released.

Let me know your availability and if we can connect by phone.

Thanks,

Sarah

Hey Sarajane. I'm going to be home for 4 days and have been reading all the emails. Will be attempting
 the drive up Beachwood in about an hour. How is the lawsuit going?

TODAY, MONDAY DEC. 28TH, CONDITIONS ON UPPER BEACHWOOD DRIVE ARE
 UNSAFE.

**I am requesting that you shut down access to Beachwood Drive and
 Hollywoodland.** I have not driven around the rest of the neighborhood, but I have walked
 Beachwood Drive north of Ledgewood. It is dangerous. Even our former Councilman
 would shut things down when they reached these conditions. Will you not do the same?
